### **SCRAMBLE RULES:**

1. Each team member tees off on each hole and then decides which tee shot they like the best and mark that ball with a tee or ball marker.
2. The other team member picks up their tee shot and places it within one club length (no closer to the hole) of the marked spot. Each team member then hits their next shot from the chosen spot.
3. This procedure is followed on every shot for the remainder of the hole, including putts.
4. Putts need to be made within 3 inches of the marked spot (no closer to the hole). The first ball to go in the hole is counted for the team score. The team is cautioned not to make "tap" in putts until both team members have had the opportunity to attempt the team's original putt.
5. If the ball you choose to play is in a penalty area or bunker, each player must hit the next shot from within that obstacle even if relief is within one club length. If the ball you choose is off the green, each player must make their next stroke from off the green, even if you're within one club length of the green. You may move your ball between cuts of grass (fairway to rough, rough to fairway, etc.).
6. **EACH PLAYER'S TEE SHOT MUST BE USED AT LEAST FOUR TIMES DURING THE 18-HOLE COMPETITION.**
